HAPPY FATHERS' DAY

Day Camp Cancelled

Due to low enrollment it was decided to cancel the LRCC Day for this year. Plans for next year will include a VBS for younger children along with the day camp.

Abundant Life Together Proposal

ALT is an ELCA program designed to provide interested young adults with a "gap year" program as part of their college or post college experience, an intentional time focusing on personal development, vocational exploration, spiritual discernment, and in service to neighbor. Pastor Greg would be the director of the program; and his new ministry, The Table, would work with CLC.

Both ministries would benefit from the young adults who might be assigned to do ministry in each church as part of their year of service.

Pastor Greg says, "... this is a big idea for both churches, it is no small undertaking, and it will take work and commitment I believe that together we can develop a great potential site for the expanding ALT program, one that will transform the participants, creating new leaders for tomorrow and will give birth to exciting opportunities for ministry at Christ and he Table."

The proposal made by Pastor Tim and Pastor Greg: *We respectfully and humbly request that Christ Lutheran Church make the Mary House available as a residence for participants in an ALT year program in the Pacific Synod, beginning in August of 2015 and continuing through June of 2016 with the option to extend such use into future years with the agreement of all parties.*

Research on city codes and other details still need to be worked out. These will be presented to the council on July 9. A final decision must be approved by the congregation.

Every Wednesday join Pastor Carole in Mary House for Prayer and Meditation 10:30 to 11:30 a.m. She will be starting a study of the Enneagram Personality Types—a way to get to know yourself and others better, and a way to deepen your spiritual life.
